**Episode 49
DE-STRESS**

So Brock is pounding away at my pussy and it's so late that I actually fell asleep! Can you believe that?

Velamma?...Are you even listening to me?

So you agree that you and I should swap husbands for a night then?

mmmhmm, sure.

I think Ramesh would really enjoy getting fucked by me too y'know?...with a strap on?

huh?..oh yes of course.

And you know...Brock really likes to wear nappies and act like a baby in the bedroom.

Mmhmm, yeah.
Sounds like fun.

Yeah, he'll latch on to your boob and pretend he's feeding and everything....

...Shriya!! What do you think you're doing?!

Our husbands are in the next room! What are you thinking?

Vela, you seem even more stressed than you normally are!

it's just...well. I keep getting in to these...situations and I don't know how I got there. It's like I'm cursed or something.

I just keep getting fucked by everyone I run into!

Oh Dear. I have just the place for you.

What do you mean?
What place?

Just trust me.
You'll love it.

But for right now, I have something else that will reduce your stress

Ahhhh..

The following Day

I still don't see how a house wife can be stressed out...

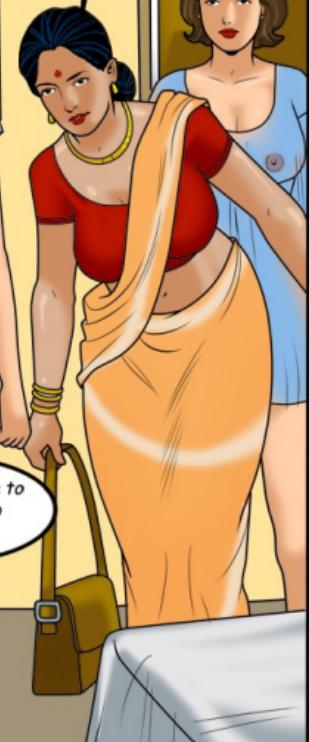

I just...need some time to relax. You'll see, I'll return a new woman!

For that much money you'd better come back as 23 year old Velamma.

"A little while later"

ok here we are...
what now?

Now we'll have to
undress you to
clean you up.

What?! I...what's
going on?!

Our job is to ensure that we
clean your body before you get
in to your mud bath.

You wouldn't want us to get
in to trouble for not doing
our job , would you?

Well NO
I suppose not.

Please relax .. We are trained
professionals , you would be
really pleased with our touch..

Good ! Now
relax and feel
the magic ...

They expect me to wear this?
It's completely see-through!!

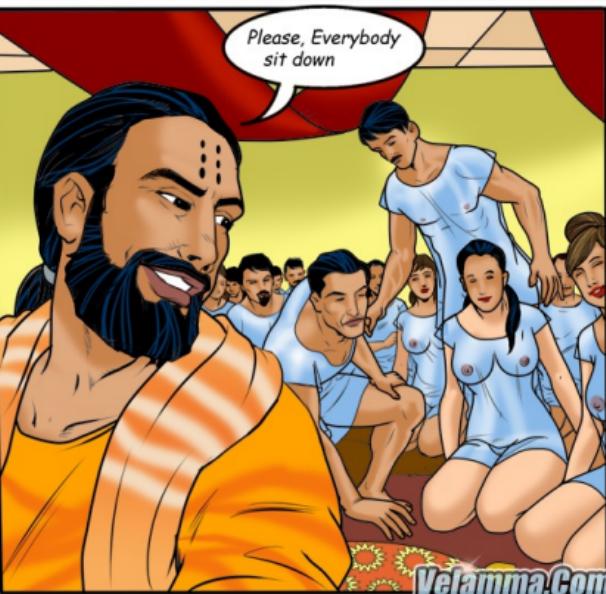

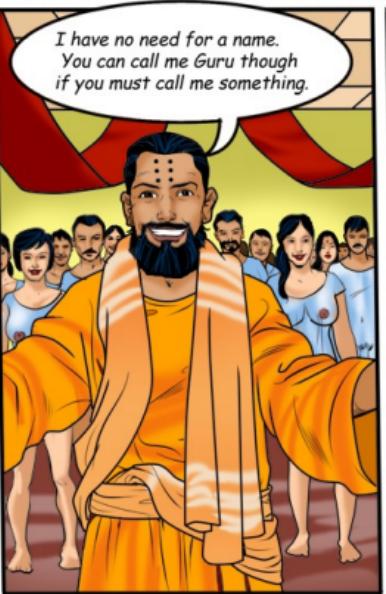

Well, I guess if
everyone's doing it...

They didn't even leave me
any underwear...people will
be able to see everything
through this!

Attention everyone.
Please meet in the
meeting room at the
end of the hall in
ten minutes.

No, not you Velamma. Since this is your first time , You must give everyone a chance to meet you in their own way. Please stand in the center of the circle.

This is a place of warmth and sensuality. A place to let go of your inhibitions....

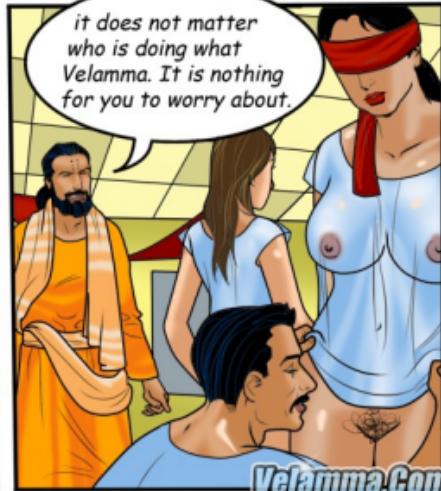

Hey!.. what is...

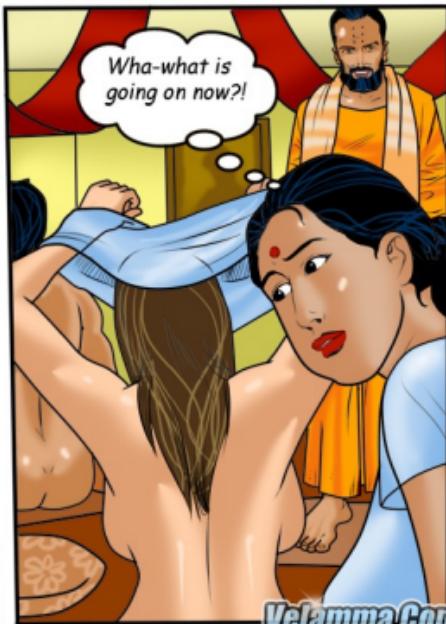

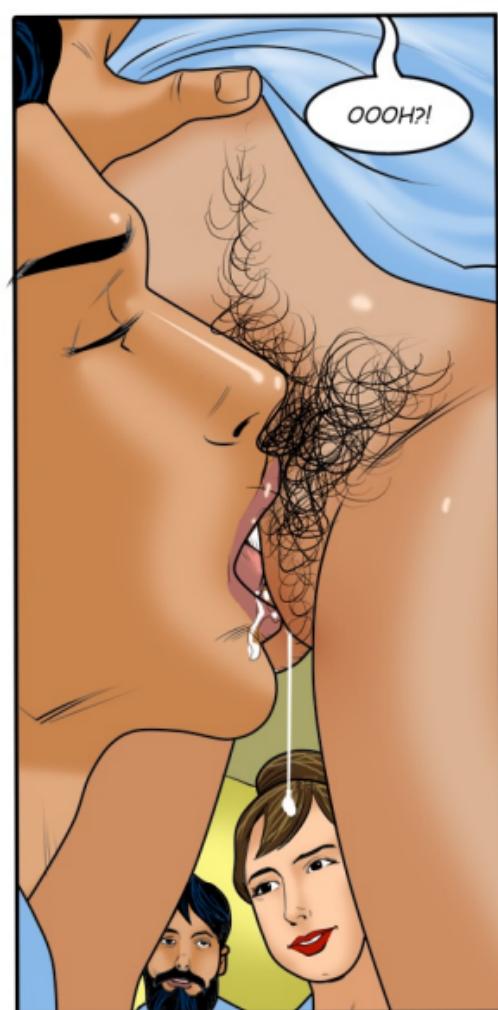

Just go with it Velamma. Calm yourself and just accept whatever happens next.

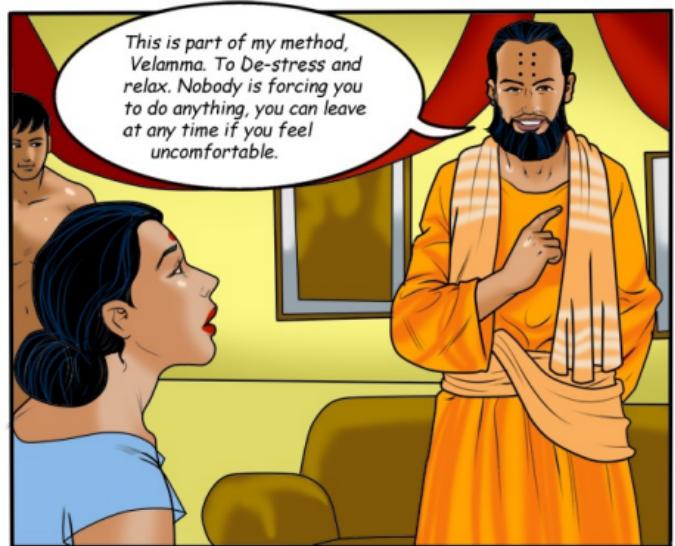

Hey...wha—
mmmmrrrrnnnnff!

This is part of my method, Velamma. To De-stress and relax. Nobody is forcing you to do anything, you can leave at any time if you feel uncomfortable.

This isn't the first time you've let politeness get you in to trouble Velamma...

Ramesh would be so angry with me if I left now. He paid a lot of money for me to be here...

What was that stuff?
I feel so...strange...

hnnn....
oooohhhh...

Ohhhh...
god.

Okay...this is very much like a harem now! I wonder if I am just having one of my sexy dreams...

tssk!
tssk!
tssk!

Uhhmmmm... hummmmmnn...

Go with it velamma, let your desires take control of you, give up your inhibitions.

okay...ooohhh... I'm trying..uhhhh
